

# PLAYSCHEME

## Guidance for Playscheme COVID19 Procedures

Dear parent/guardian,

Please see a brief list of guidance for children attending Playscheme. This guidance is to minimise the risk of COVID19 within our settings.

- Parent/guardians will not be able to come into the Little Monsters / Playcare building at OLA or the main hall at BVC.

- Parent/guardians will have to wear a mask at all times when inside school gates at OLA and inside the building at BVC.

- On arrival at OLA, ring doorbell and wait at the bottom of the ramp for a member of staff to come to you.

- On arrival at BVC, staff will meet you at the main hall, please do not enter the Hall.

- Children will be asked to wash hands on entering the building

- Children will wash their hands every hour, and before/after eating

- Please ensure children attend Playscheme with fresh/clean clothes and do not wear the same clothes on consecutive days

- We will be social distancing and outside as often as possible. Please ensure children bring a coat or jumper

- Children will be in groups of no more than 8 children

- 2 groups will be within each room at OLA  
- Groups will be in separate areas in the hall at BVC

- Children will be able to mix within activities but we will maintain social distancing within groups

- We have developed social distance planning

- Children should bring their own water bottle so we can reduce the sharing of cups

- We will not be able to provide any food to children. Please ensure children bring enough food to last the full day.

- Children cannot share food with other children

Thank you for choosing NBLT Playscheme!!

OLA: Our Lady and St Joseph's

BVC: Bulkington Village Centre
